N4C October 2022 News Bulletin

Volume 60 No. 55 www.N4C.us

President's Greg Hoglund Notes:

Greetings everyone,

We are just concluding the N4C fall convention hosted by Duluth superior camera club. It was a wonderful convention. The first we have had since 2019. It was a smaller than normal group to attend, but everyone attending loved the programs that were put on.

There were multiple field trips including one to Engler tower, one up the north shore to Glen-sheen Mansion, Two Harbors and to Gooseberry

Falls. Another field trip went across the state line to Wisconsin to Wisconsin point, Amincon Falls and Patterson state park. (waterfalls galore) The weather cooperated for wonderful photo opportunities. The final field trip offered was around Duluth area . Along with the field tips there were several wonderful seminars and keynote speakers at the dinners. Well done Duluth Superior CC.

Going into the board meeting we did not have a club to host the 2023 convention and there was some talk about having only a spring mini convention. Thankfully Dubuque stepped up and offered to host the fall convention in 2023. We also agreed to have the spring mini convention again at Wesley Woods Retreat near Indianola, Iowa. Keep an eye out for e-mails concerning the dates for these upcoming events you will not want to miss.

We also talked about consistency in judging. A committee was formed to work on ways to insure judging will be more consistent. This committee will also work on ways to encourage clubs to give helpful comments for the entrants whose photographs did not earn an award.
