N4C October 2023 News Bulletin

Volume 61 No. 56

Greetings!

Its October in Camera Land.

Fresh home from another amazing convention put on by the Dubuque camera club. We Rode on Boats, cars and shot trains, rivers and ate from the local food truck vendors. If you missed it, you really missed out. As Competitions ramp up, one thing I have noticed through the years is the art of printing one's photos. Our print display gets a little less each year. I challenge each person in N4C to make a minimum of one print and send in for competition. 8x10 minimum size means you could print at the local drug store for a buck or two, or order online somewhere.

In 2024 we will be having 2 gatherings, one south of Des Moines IA and one near Sioux City IA. Both will be a great time. Make sure you make your arrangements for the Fall Convention quickly as the lodging situation is unique. Get with your friends and rent an 8-room cabin within the Ponca State Park.

Our Spring convention was put off for a couple years due to covid and this really hurt last year's attendance as we got restarted. This spring in April (details to be released soon) let's rally the troops and see if we can beat our attendance record. It is a great peaceful facility with good food and a unique atmosphere. Let's keep the Creative Juices Flowing!!!

N4C 2023 Convention "Blufftops & Backroads"
Celebrates Photography with Enthusiasts from 11 States.
[Dubuque, Iowa, September 14-17, 2023]

The North Central Camera Club Council (N4C) held the "Blufftops & Backroads" Convention. This exciting event brought together photography enthusiasts and professionals from across 11 states, celebrating the art of photography.

With a diverse group of 84 photographers and enthusiasts in attendance, the N4C 2023 Convention was the platform for participants to share their passion for photography, learn from one another, and explore the breathtaking landscapes of the tri-state area.

One of the most exciting aspects of the convention is the presentation of yearly awards. Participants received recognition and accolades in various categories including digital and print categories. Small Club of the Year went to Great River Camera Club and Large Club of the Year went to Dubuque Camera Club, Photographer of the Year was Stephonie Schmitz, Dubuque Camera Club.

The convention took photographers on an exhilarating journey across the tri-state area, allowing them to capture the natural beauty and unique landmarks of the region. Some of the featured locations include American Lady River Cruise, Eagle Point Park, Balltown Overlook, Horseshoe Mound, and the iconic Julien Dubuque Monument. These picturesque settings provide a rich tapestry of landscapes, from rolling bluffs overlooking the Mississippi to historic monuments, providing endless inspiration for photographers.

"We are delighted to host the 'Blufftops & Backroads' Convention and bring together photography enthusiasts from across the region," said Jennifer Tigges, Convention Host, Dubuque Camera Club. "This event not only showcases the remarkable talent within our photography community but also provides a platform for learning, sharing, and celebrating our shared passion for photography."

For those not in attendance, your prints, medals and awards will be sent by mail to your club. Please celebrate these awards and let your local media know about all your winnings too.
