N4C Presidents Message - Feb, 2009

Hi All and Welcome to February of 2009:::

I'm sure that everyone has had their fill of snow pictures and ready to do some flower and butterfly pictures, for awhile. It's always a pleasant relief when spring comes.

Speaking of Spring, brings up Springbrook. I hope everyone is planning on attending Springbrook mini-convention this April 24th thru 26th. It is a good way to bring in the warmer (hopefully) spring and summer months and a good time to get together with fellow photographers for a weekend of learning, photography, and of course, cards. Springbrook State Park is a great place to spend a weekend.

Then we start planning on attending the 2009 N4C Convention this fall, in Duluth Minnesota. It will be held on September 30th thru October 4th. I know that Joseph Kubala, Ladona, and the Duluth-Superior Camera Club have worked hard on this and it will be a great experience. I'm sure that more detailed information and registration forms will be coming in the next couple of N4C Newsletters.

The 2010 N4C Convention will be held in Lacrosse Wisconsin. The Lacrosse Camera Club has been working on this and I'm sure it will also be a great convention.

The 2011 N4C Convention, and beyond will be held in ??????????????. It's not that I'm keeping it a secret, it's just that no club had come forward and offered to host the next conventions and I'm not sure why that is. It is an opportunity to show-case your city or small town, and your tourism bureau will help you do that. They are always willing to help bring a convention into your community. Whether you are a large city or small town, you have something unique in your community that photographers want to come and see and photograph. We photographers are not that hard to please. Just provide us with a place to eat, sleep, and have a few seminars, along with a place to play cards, and we're happy. A place to take some pictures, and mainly renew old acquaintances is the major reason we like to get together. N4C has a great Convention coordinator that will help you plan your convention. Just contact Steve Thompson at sathomps@unitelsd.com and he will get you what you need.

PLEASE consider hosting a convention in the near future and you won't be sorry. Remember that N4C is where "NAMES BECOME FACES and FACES BECOME FRIENDS"
Here's wishing you all a great March and Spring.

Curt Stoever

Sioux City Camera Club News:

Article by Fran Kingsbury

On November 17, 2008, Paula Warp of South Sioux City, Nebraska, a member of the Sioux City Camera Club presented her father's WWII Army photo scrapbooks to the Veterans History Project - Library of Congress in Washington, D.C. Each book measures 19" x 24" and are bound in red leather. There are 260 pages of photos covering Paul Warp's "War" years from January 1942 to November 1945.

This contribution will be known as the Warp collection and will be available to the public and researchers beginning in the Spring.

The Veterans History Project collects first-person accounts of military service from World War I to the current fighting in Iraq and Afghanistan. Those wishing to submit materials to the project can go to www.loc.gov/vets.

Paul Warp, a Minden, Nebraska, publisher and avid photographer, documented his life in the 6th Armored Division, 68th Tank Battalion and preserved his collection for more than 60 years. Some of the photos show soldiers clowning around. USO entertainers, explosions, bodies of fallen soldiers after a battle and shots of Nazi concentration camps. A true documentarian, Warp left a legacy of his photography for others to enjoy for many years. He died in 2005.

Other family members present for the ceremony were his daughter Eloyce Warp Smith of Little River, South Carolina, and granddaughter, LTJG Daphne (Warp-Atkinson) Coffman, who is serving in the U.S. Coast Guard, Sector New Orleans. Daphne is a member of the SCCC and a participant in club print competitions.

The SCCC is proud of the contribution made by club members to the important Veterans Project to preserve the memories of the great war.

It seems people are taking digital pictures and converting them to slides after manipulating them. I have been under understanding that these classes were for film shooters. I would like any comments from you the members.

End of an Era

"Pictorial Slide Circuit #6 has made its final round. I'm not sure when the circuit started but I found records going back to 1988 with round # 57. Just doing a very rough estimate the circuit seems to have started in the last 50's or early 60's. A number of people have come and gone over the years but 5 to 7 people always continued to keep the Circuit going. On the last round # 97, we had 7 individuals that were still shooting slides. Dean Randall and JoAnn Kuntemeier were members when I agreeded to chair the Circuit 10 years ago. The remaining members are Grace Schrunk, Jean McDonough, Ty Smith and Bob Podhradsky. It has been a pleasure to read everyone's comments. The winners of the last round are below."
