N4C November 2022 News Bulletin

Volume 60 No. 56 www.N4C.us

President Greg's Notes:

Greeting N4C

One of the great things about coming to the annual convention, especially when it moves around to different clubs, is the ability to see different areas that I have never seen before. Or sometimes it seeing something that you have seen before but in a different light or different skies.

On the way up to the convention in Duluth from Kansas we went to Hot Sam's Foto park south of Minneapolis. It was fun to explore all the props and photo shoot areas that they have. We got to Minneapolis at night and had to take some night shots of downtown Minneapolis as well as the river and bridges.

The next day we stopped at the Hinkley Fire Museum in Hinkley MN and learned about the horrific firestorm that tore through several towns and miles of forests back in 1894.

After the wonderful convention in Duluth, we went on up the North Shore. We stopped again at Two Harbors as the light was different than when we went during the field trip. Traveling on north we stopped of course at Split Rock Light House and taking in all the tours and the photography opportunities that it yields.

We traveled on north to Grand Marias where we stayed three more days on the shores of Lake Superior. There we saw another lighthouse at sunset and watched the sailboats come in for the evening.

We took a day trip north to Grand Portage on the Canadian Border and took in the spectacular Grand Portage Falls.

Looking for fall colors we took Gun Flint Trail out of Grand Marias up to a quaint little restaurant on a small lake. We decided to take a different road back but soon found out you needed 4 wheel drive high clearance vehicle to get through a washed out stream crossing so we had to turn around and go back the way we came. Just adds to more memories of our trip.

Loving waterfalls we stopped and photographed several along the way most of which were short hikes from the highway. My favorites were Cascade falls and Beaver River falls.

On the way home from Grand Marias we decided to go to the Apostle Islands in Wisconsin and took the lake Cruise up to Devils Island to see the sea caves and lighthouse. That too was something we had never seen before.

Coming on home we actually saw more color in the trees as we went south which seemed strange to me. Coming through Iowa we always take time to stop at the Reiman Gardens to see their butterfly conservatory as well as beautiful gardens.

As you can see we make conventions more than the wonderful time together, the field trips and the learning sessions. We make them into a trip giving us the opportunity to see all the beautiful sights this land has to offer. We can't wait till the Dubuque convention next year and start planning to see the backroads and the areas to and from Dubuque. Hope to see everyone there.

Greg Hoglund

N4C Fall Board Meeting September 23, 2022 Duluth MN 1:06pm

In attendance: Doug Conrad, Greg Hoglund, Paul Haugen, Dwight Corin, Jennifer Tigges, Tim Zeltinger, Sonja Hoglund. Absent: Pat Schwope, Paul Grillo, Pat Boudreau

Welcome: Doug Conrad, N4C 2021-2022 President

Officer's Reports:

Secretary – Pat Schwope – There was no Spring Convention or board meeting so, there will be no minutes to approve.

Treasurer – Lynda Richards – Treasurer's Report-Linda handed out 20 paper copies of her report and discussed. CD was renewed for one year only coming due in August 2023. Motion by Lynda, second by Sonja to approve. Passed.

1 st Vice President – Greg Hoglund - Spring of 2022 Mini Convention was cancelled.

2 nd Vice President – Paul Hagen - created judging matrix. We lost 3 judging clubs this year, so matrix had to be adjusted. Paul offered to judge 2022 Panorama prints since there was no spring convention. Only 4 prints were received, so he is just returning prints unjudged.

Director 1 – Dwight Corrin; Director 2 – Jennifer Tigges -no comment

Director 3 – Tim Zeltinger- noted when sending prints to judging club, please let club know they are on their way. Several boxes got stuck in a snowdrift last year.

Director 4 – Paul Grillo absent

Director 5 – Sonja Hoglund no comment

Director 6 – Pat Boudreau absent

Old Business: nothing noted

New Business:

Membership Issues – North Metro Camera Club and Fort Dodge Camera Club are leaving N4C. Discussion of reasons North Metro gave for leaving. Group gave ideas for how to recruit and engage members. Jennifer suggested we compile these ideas. Deb Bates suggested individuals write down ideas and give them to her for inclusion in newsletter.

Where Names Become Faces and Faces Become Friends

Judging Issues – Review and discuss inconsistencies in judging. Mark Gromko's judging video maybe put on youtube or somewhere easily accessible for all clubs to use. TCI was noted to be beneficial because even if there are no comments, it helps photographer to understand what is strong about their photo or what is needed. 1-10 scale is hard to understand. Most discussion consensus that comments are needed on all images. Several clubs shared how they decide on their judges. Lynda Richards suggested full judging change, to change judging to monthly inside clubs themselves only. Then they submit their best of the year to a year end competition to be judged at/for convention. Seems like nothing was going to work for all clubs as a blanket remedy. Motion by Paul Hagen, second by Tim Zeltinger to order award medals as usual for this coming year. Year end judging for convention needs to be shared with another club, not the convention host club. No vote was needed for this.

Future of N4C Conventions – Review and discuss proposal presented by Dwight Tomes and Mark Gromko was read by Jennifer Tigges first. Much discussion on Spring convention about location, what is centrally located etc. Lynda Richards mentioned that we still have money tied up in a deposit and a contract with Wesley Woods. Motion by Paul Hagen, second by Lynda Richards to continue with Wesley Woods for 2023 Spring to be reevaluated at that time. Paul Hagen and Lynda Richards will work on plans for the event and contact Randy Moyer.

Lynda Richards – Use of N4C funds for future conventions/retreats- Motion by Paul Hagen, second by Dwight Corrin to increase convention advance to \$1500 or more with board approval. Motion passed

Paul Hagen – Panoramic Contest - Motion by Paul Hagen, second by Jennifer Tigges to add mailing in of Panoramic prints to contest chair to be added to prints delivered in person at the Spring convention to be judged.

Paul Hagen motioned, Dwight Corrin second to appoint Director 5 to Carl Hardy and Director 6 to Drago Nemeć due to director 6 resigning.

Passing of the gavel to new President Greg Hoglund. Greg to introduced 1st VP Paul Hagen, 2nd VP Dwight Corrin, Director 1 Jennifer Tigges, Director 2 Tim Zeltinger, Director 3 Paul Grillo, Director 4 Sonja Hoglund, Director 5 Carl Hardy, Director 6 Drago Nemeć

Paul Hagen motioned to adjourn, second by Doug Conrad. Adjourned at 3:06

Photo contest judging was a topic of discussion at the N4C Convention.

There were excellent reviews about this judging video and a need to make it accessible.

This presentation by Mark Gromko (a N4C Photographer of the Year & Past President) is intended for club members who judge N4C contests. It gives guidelines about how to score and comment on contest entries. It is also helpful for entrants to understand judging methods and make entry selections.

N4C Digital (& Print) Contacts,

If I should contact someone different, please let Ken Johnson know.

IF YOUR CLUB ENTERS PRINTS, SEE BELOW FOR WHERE TO SEND ENTRIES.

FOR DIGITAL ENTRIES, they must be received by 5:00 pm Nov15, however make every effort to send them by the 13th to allow time for confirmation.

- Judging may begin on the 16th - make sure you receive confirmation that entries were received.

The cutoff time will be 5:00pm on the 15th giving the judging chair time to organize them for judging starting on the 16th. The point is....don't wait until the last minute. There have been problems with occasionally missing entries when they are not received until late in the night on the 15th.

The 2022-2023 rules are on the N4C web at <http://n4c.us/competition.htm> by clicking the blue "N4C Contest Rules" button. Copy attached.

The the N4C Directory is available by email from Carl Hardy and his email is torchenterprises72@gmail.com The Handbook contains the contest rules and other general N4C Info. The Directory contains the list of judging clubs for all the contests along with contact info for all the affiliated clubs. The Handbook is available for download from the web <http://n4c.us/Supplies-Forms.htm> page.

There are six Digital Image Contests each month - (see the definitions of each category in the Rules):

Altered Reality (DA)

Black & White (DB)

Journalism (DJ)

Nature (DN)

Pictorial (DP)

Travel (DT)

Maximum of 8 entries per club per contest, not more than one from a member in each contest

Do not enter versions of the same image in multiple contests. For example, do not enter both a color & B&W version in the same month. If both win, one will be withdrawn. The rule is: "Any entry which receives a 1st, 2nd, 3rd, or HM award in a monthly competition may not be re-entered in the same year or later years, in the same or any other category, regardless of variations or changes made."

Please check your entries before sending them on for judging. Look for three things:

1. File size 750KB max. (A requirement this year)
2. **Longest side 1,920 pixels max.**
3. File name should look like this example: 01,DE028,DP,Beautiful Sunset.jpg

Content of the Email Message when you send the entries:

- a. Subject Line of the Email should say "N4C Contest Entries from _(your)_ Camera Club".
- b. Specify which monthly contest and how many images are attached to the Email.
- c. List the Member Numbers and corresponding member names to ensure that the Judging Club has that information.
- d. Give the Club Name and your full name.
- e. Attach the image files

ASK THE JUDGING CLUB IF YOU DO NOT GET A RECEIVED CONFIRMATION BACK FROM THEM

9

Please send me updated member lists when you have added Member Numbers. I'm glad to see new members participating in N4C contests. Naturally I need to get them registered so they are properly identified for the judging clubs. For new members, that really should be done a month in advance of entering.

N4C Digital (& Print) Contacts,

entries must be received by 5:00 pm October 15, however **make every effort to send them by the 13th to allow time for confirmation.**

- Judging may begin on the 16th - make sure you receive confirmation that entries were received)

If you have any trouble reaching these judging clubs, let Ken Johnson know as soon as possible.

SEND NEW MEMBER NUMBERS AND NAMES TO KEN JOHNSON

N4C Supplies & Forms - on the web.

Entry forms, Reports and more. Make your job easier - Check it out.

<http://n4c.us/Supplies-Forms.htm>

A club will normally have up to 8 entries for a contest. A typical image file name list might look like:

(USE YOUR CLUB NAME AND MEMBER NUMBER INSTEAD OF DA044 - zero "0" 44 not a letter "O")

(USE DA, DB, DJ, DN, DP, or DT for the Contest Code - This example is for the Digital Nature Contest)

(Notice commas separating the data in the file names) 01,DA044,DN,Deer.jpg

03,DA022,DN,Grand Arch.jpg

04,DA033,DN,Teton Reflection.jpg

05,DA037,DN,White Water.jpg

06,DA002,DN,Shadows.jpg

07,DA025,DN,Horsetail Falls.jpg

08,DA018,DN,Soaring Eagle.jpg

Members should submit entries with filenames similar to the above except for the sequence numbers. The club N4C Rep will rename the files to include the sequence numbers. The club N4C Rep may want to keep things simple for the club members and handle ALL the file naming - how this is done is left to the club. The sequence numbers will determine the sequencing of the image in the judging line-up. All the contest entries will be sorted in alpha-numeric sequence by filename so this will mix up club entries for judging. The 01's from all the clubs will be judged first and the 08's at the end.

Encourage your members to explore the N4C website where they will find a lot of photography to study, and photography links with an unlimited number of tutorials and educational videos to learn from. <http://n4c.us/>
